## EDITORIAL

There's been a buzz about the office this month, as telephones have been ringing, emails pinging and the occasional ding of a Whatsapp can be heard, as, true to our New Year resolution we are doing our best to bring you the hottest totty our global can offer. And so after a number of phone calls and emails to various continents, we are delighted to showcase the talents of Kiki Minja, Sara Stone, Mia Marlee, Jada Cameo, Harmony Regions and Val Dodds in issue No.2. But this month's cherry on the top is a crown claimed by Chloe Toy, who dazzles in a black lace lingerie set. We may have made a rod for our own backs here as next month's issue is going to be a tough act to follow. But until then, enjoy!

Dear Club,

Sometimes I reckon I must be the luckiest man alive, as my girlfriend Mel really is the dirtiest girl I have ever known. She is absolutely filthy and loves acting the slut for me.

In the two months we have been going out, Mel has fulfilled so many of my fantasies; from taking my cock up her lovely tight arse to jerking herself off with a

cucumber while I filmed her. Nothing seems to be too rude for this girl so, when I told her I'd love to see her getting fucked by another man, I wasn't at all surprised that she agreed.

Leon was the obvious choice as Mel fancied the pants off him and usually flirted outrageously when we were out together drinking. Mel loves to wear short skirts with stockings and heels so that guys get a flash of stocking tops and panties when we're out. As usual, last weekend all the guys in the pub were ogling her, as she wiggled that delicious arse of hers for their benefit.

We'd all had a few and Mel was sitting next to Leon, her hand resting on his thigh as we talked. "Pete wants to see another man's prick inside me," Mel suddenly said out of the blue, stroking her hand gently up to the

**She slowly lowered herself onto his shaft, moaning with lust..."**

growing bulge in his jeans.

Leon shot a look at me, but realised from my smile that I didn't mind. He turned to my girlfriend and kissed her on the lips. My cock swelled as I watched their tongues squirming in each other's mouths, Mel gripping Leon's dick through his trousers in the crowded pub and kneading it slowly as it grew in her hand. Leon slid his own

hand up the sheer black nylon covering Mel's legs until his fingers could just touch the gusset of her knickers under her skirt. Before they got totally

carried away and started fucking on the table, I suggested we all adjourn to my flat.

We were hardly through the door before Leon was unbuttoning Mel's blouse and dragging her tits out of her bra. He squeezed them together and began licking her nipples in turn, while Mel wriggled out of her panties, unzipped Leon's jeans and released his cock. Fuck! Seeing my girlfriend wanking another fat prick right in front of me was just fantastic and I took out my own dick and started to masturbate.

Mel led Leon into the bedroom and pushed him down onto the bed, clambering on top of him and stuffing his meat in her mouth. She looked over at me as she tickled his huge purple knob with her tongue before sliding as much of it as she could between her lips. I could hear the sucking noises as she worked on his tool and I couldn't resist grabbing her arse as she continued her filthy display. Mel moved her legs around so I could finger her twat while she sucked and the urge to stick my cock up her slippery cunt hole was almost overpowering, but I wanted Leon to have that pleasure.

I didn't have to wait long, as Mel straddled

Leon's crotch and steered his throbbing muscle to the entrance of her pussy. She rubbed the end up and down the opening, smearing her sticky love juice between the cheeks of her arse and over the top of her thighs. I watched transfixed as she slowly lowered herself onto his shaft, moaning with lust as, inch by inch, it filled her gash. Leon held onto her breasts as Mel began to screw his rock hard dick. I could see my girl's pussy juice glisten all over his shaft as she pumped it inside her faster and faster, grinding down onto him before lifting her slit completely clear so I could see right inside her gaping hole.

Wanking furiously, I watched them fuck,

switching positions so that Leon was on top, gripping Mel's ankles as he speared her cunt with his meat. He banged away at her, plunging up to his balls as she played with her tits, licking her lips and looking me right in the eye like some filthy slut in a porn film.

With a grunt, Leon suddenly pulled out of her twat and pointed his pulsing dick at her boobs. Mel mauled her tits for him and he exploded all over her, thick spunk jetting out of his prick and splashing onto her sweat-soaked skin. She managed to catch a dollop in her mouth and spat it out down her chin as he continued to unload his cum until he crashed down onto the bed beside her.

Unable to contain myself any longer I stood beside the bed and offered Mel my prick. She hungrily sucked it into her mouth,

slurping on my shaft as I grasped one of her sperm coated breasts. The sight of my girl blowing my dick with another man's cum dribbling out of the corner of her mouth was too much for me and I squirted down her throat. Mel nearly gagged as my jizz sprayed into her. She swallowed hard, gulping the sticky goo down as she gripped the base of my shaft to squeeze out the last few drops.

Suffice to say, the evening's entertainment had only just started, and over the next few hours I got to see Mel being fucked in every one of her holes, even filming her squatting in front of us and dripping spunk out of her arse and cunt at the same time.

Like I said, I'm probably the luckiest man alive!

**W**e always like to add a new pinch of spice to the Club cauldron, and this month is no exception as we introduce Mia Mariee to the recipe, a tigress with an exceptional pair of pins, which are emphasised here in a pair of seamed stockings. But apart from those shapely legs what else is this little minx hiding away?

"You'll just have to wait and see, won't you."

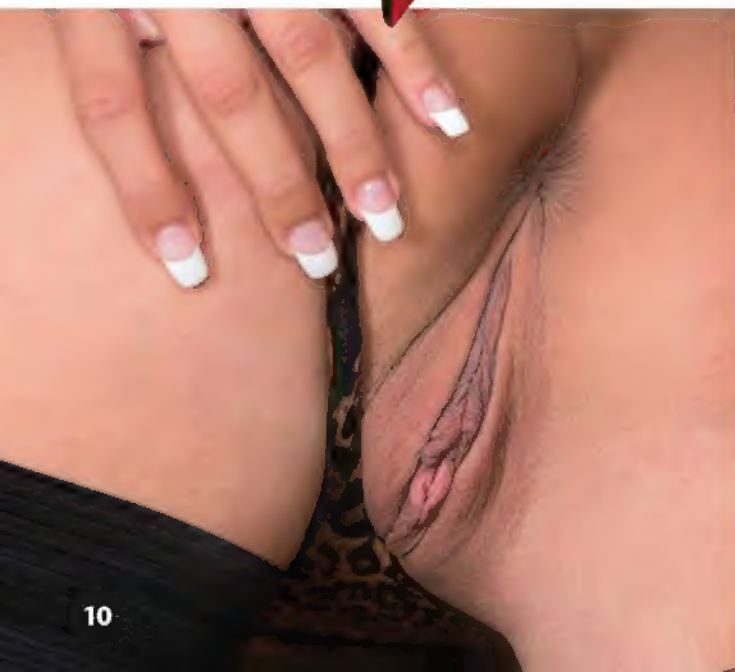

Well, in that case, we shall get ourselves settled in for the show; and by Jove, it's a corker!

would typically write into  
any magazine, let alone one  
full of delicious women! But I've finally  
plucked up the courage and put pen  
to paper in order to request a second  
outing of the gorgeous Michelle from  
Club Vol.37 No.13. I'm sure you're  
inundated with requests day and night,  
so I don't expect you to take much  
notice of this one, but it would make  
2019 for me to see Michelle published  
again. Blonde, petit chested and with  
the pinkest, softest looking snatch you  
ever did see, it would be a real treat  
to experience the blue-eyed vixen  
again. I'll wait every month for a year  
in the hope of such an event from your  
magnificent magazine.

All the best from a devoted reader of  
many years.

Polaroid's

**Mint 2-in-1**[www.argos.com](http://www.argos.com)

So Polaroid, as in the Polaroid? Yes, the grapevine was circulating falsehoods over Polaroid's expected demise, and luckily for us, they have brought out the Mint 2-in-1, which combines a 16Mb camera with a printer. Yes folks, that's right you take a picture and instead of uploading it start onto Instagram, you get a physical copy, right there and then. But it's not just a click and print, it supports six picture modes: vibrant colour, black and white, vintage, vibrant colour with Polaroid border, black and white with Polaroid border and vintage with Polaroid border. These images are spat out as 2x3 inch prints in roughly 45 seconds, and the pictures can be moved onto a microSD card or onto a computer via the micro USB port. Pure fun!

**Bose Sleepbuds**[www.currys.com](http://www.currys.com)

Is your marital bed a noises fog of snoring at night, leaving one party with a pillow wrapped around their head and bags under their eyes in the morning? If so then Bose has a little something that might help. Noise-masking Sleepbuds aren't for your iTunes playlist, these are specifically designed for bedtime, putting their knowledge in noise cancellation to good use. Bose has come up with a pair of earbuds that cancel out disturbing external noise and play soothing sounds to help you get to sleep/stay asleep for your all-important zzz. Bose attention to detail may have paid off, as the Sleepbuds are lightweight and comfortable to wear and the soothing sounds easily drown out the noise of a city or snoring.

Native Union

**Wireless Charger**[www.coggles.com](http://www.coggles.com)

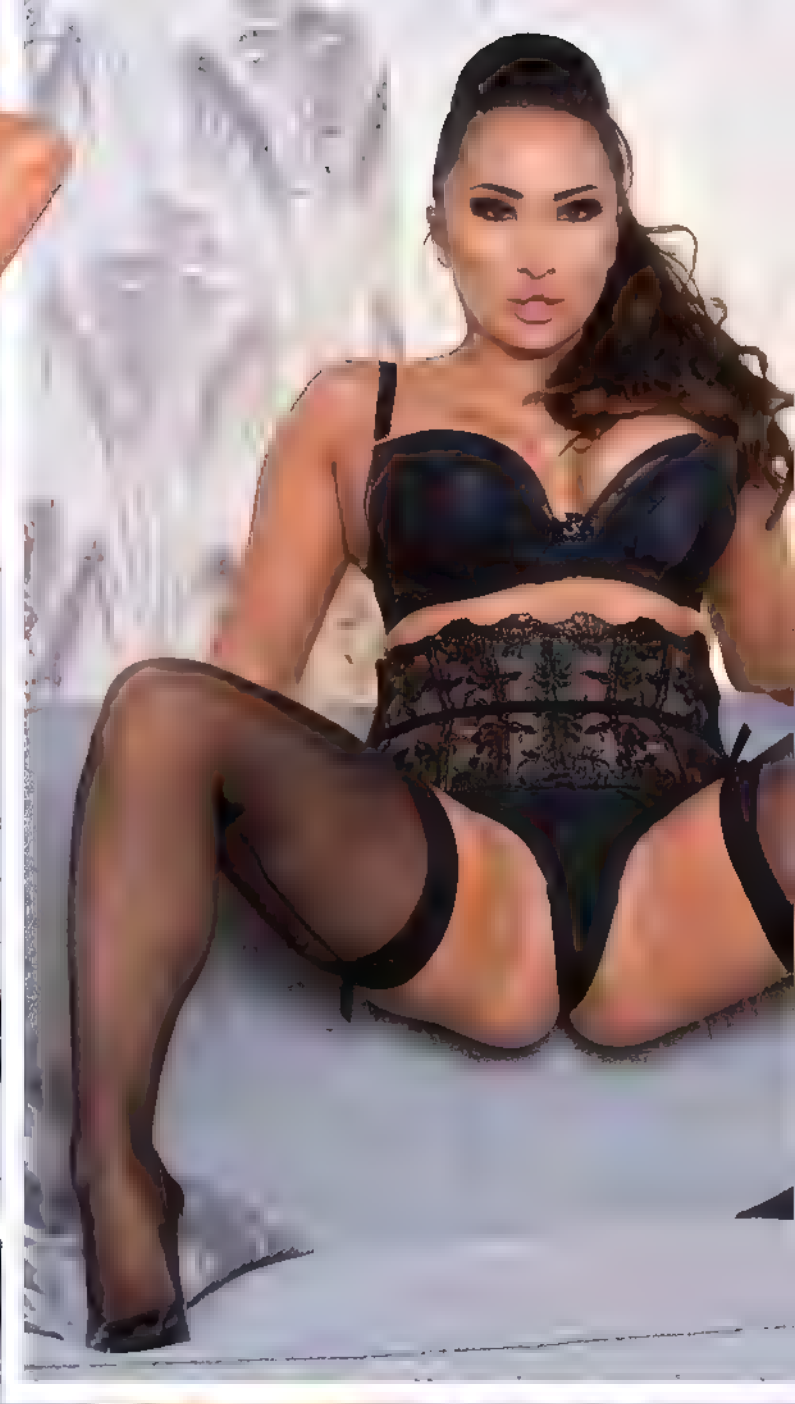

Most technology is going down the wireless route, and I even have to admit that a house full of wires is ugly and slightly irritating when you have one charger for this and another for that. Which if you think about it in terms of four people to a household and the average person having three gadgets (teenagers average four) that's a lot of cables. Which is where Native Union's Wireless Charger steps in, so even if the members of your household all use different handsets you can all use the same charger, as long as it's an iPhone or uses Qi technology which covers nearly all handsets currently on the market. Just drop it on top, and a charge of 10w will start feeding your hungry battery. So no more fights over who has stolen who's cable for the tenth time, and the added bonus is that it even looks rather stylish.

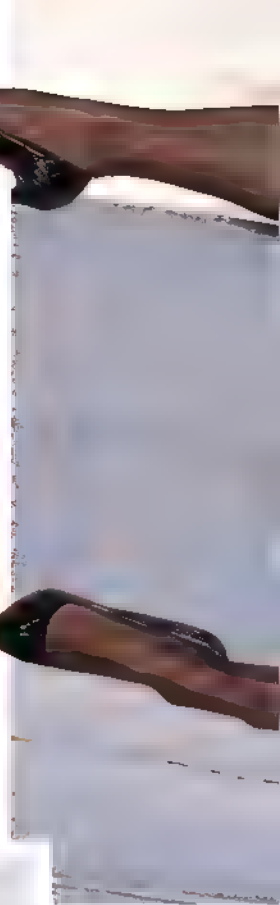

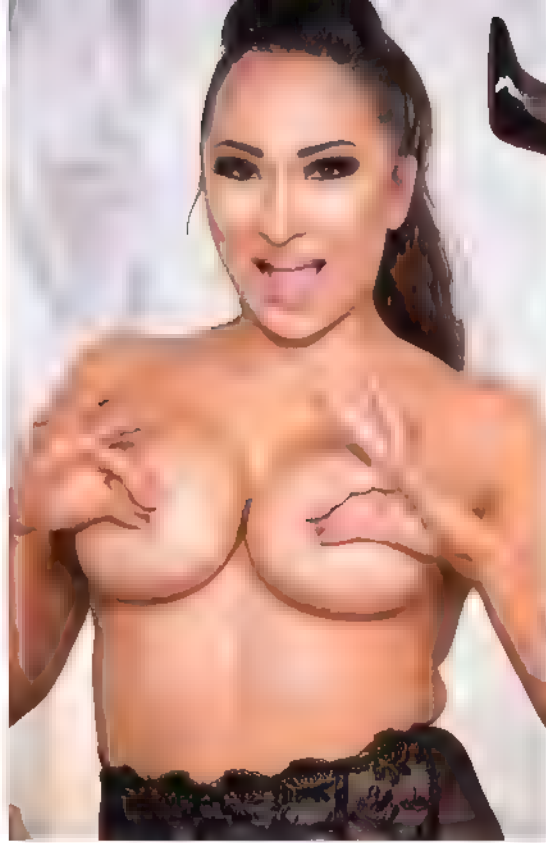

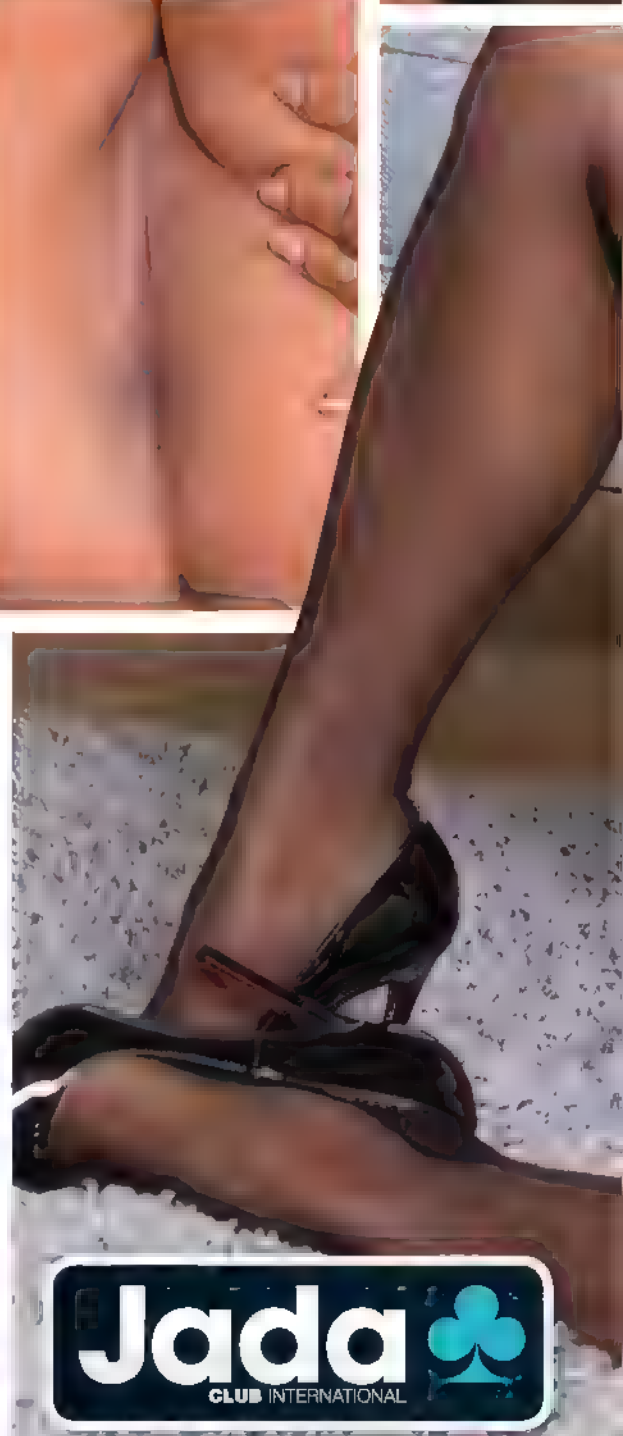

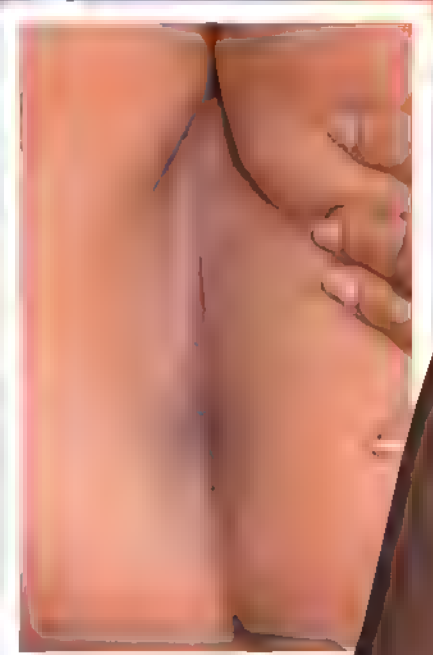

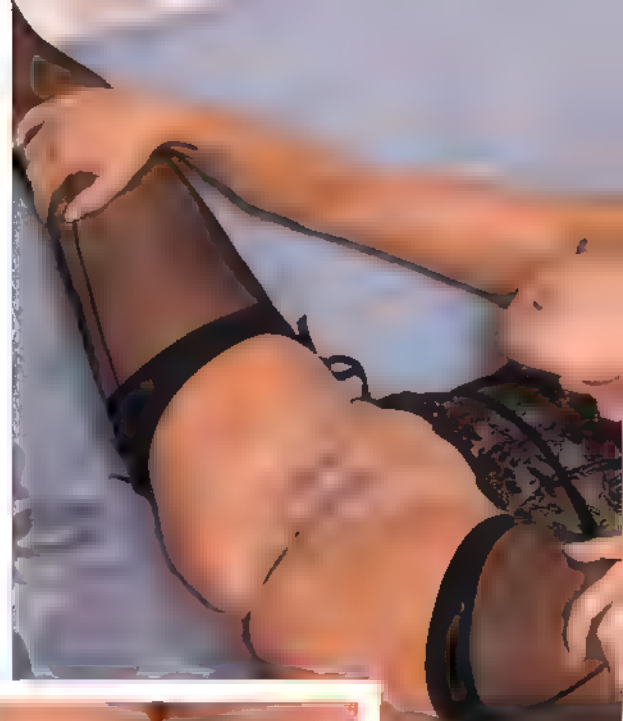

**C**heck out who's currently reclining back on one of our sofas. Yes, that is indeed the stunning Jada Cameo, exquisitely dressed to tantalise and tease our senses to the very limits of their endurance. And though I think it's very obvious what you get in return, it's sometimes good to spell out the perfections of a woman such as Jada, whose athletically toned, ultra-flexible body, appears to be enjoying the attention of the cameras. I'll leave you with the highlighted word 'flexible' and let your imagination do the rest.

## Flawless Wicked

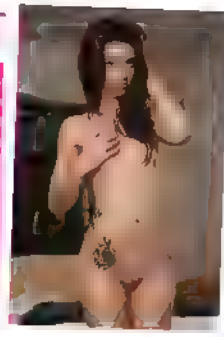

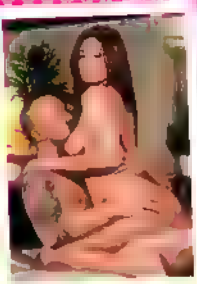

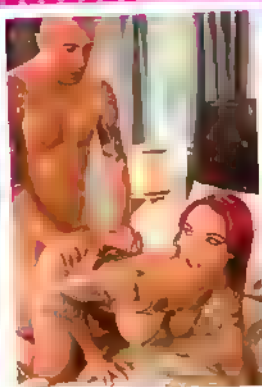

**Starring:** Anna Bell Peaks, Chad Alva, Ella Nova, Jay Smooth, India Summer, Ryan McLane, and Jojo Kiss.

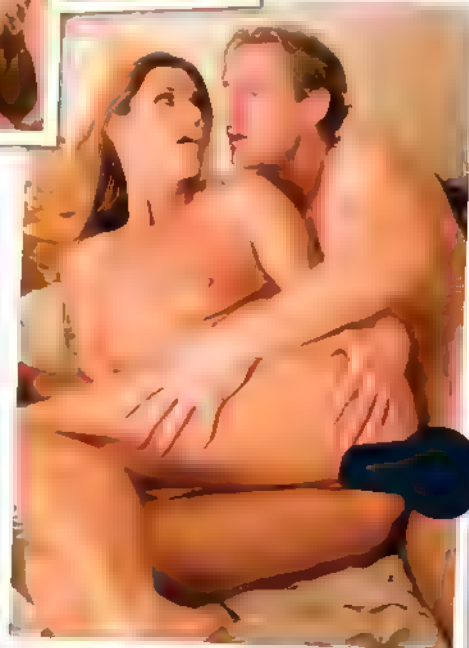

**Synopsis:** "Everyone wants a taste of the good life... In particular, Duchess lusts for a better life for her daughter and herself, and she has her eye on the prize - a jeweler and his private collection. But, so do the circle of thieves around her - the two-timing private pilot, the tattooed girlfriend, the grifter and the ex-con all want a piece of something Flawless."

Courtesy of Wicked

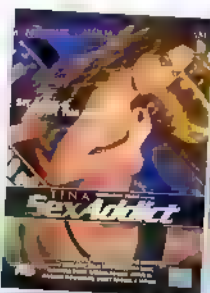

**Verdict:** I think we're all guilty of being in search of a better life, but after India Summers con of a boyfriend is released, the search for a better life is on and the

prize? Jewels, of course. So as plans are made with their daughter's boyfriend, it looks like all the double-crossing is making pilot Chad Alva and his accomplice Anna Bell Peaks rip each other's clothes off as these two get physical as Chad explores Anna's pussy with his tongue before ploughing her roughly and showering her tits in his jizz. Not bad for a chap who has a girlfriend. Next up we get the jeweller Jay Smooth and Ella Nova who he treats to a skewering after she deep throats his meat, but it's our two main protagonists that give us the best showdown. India Summer and Ryan McLane actually look like they're enjoying each other's efforts, with there straight up version that packs a punch.

## Tina Sex Addict Harmony Films

**Starring:** Tina Kay, Ella Hughes, Tera Link, Victoria Pure, Emylia Argan, Steve Q, Angelo Godshack, Ricky Rascal and Lutro.

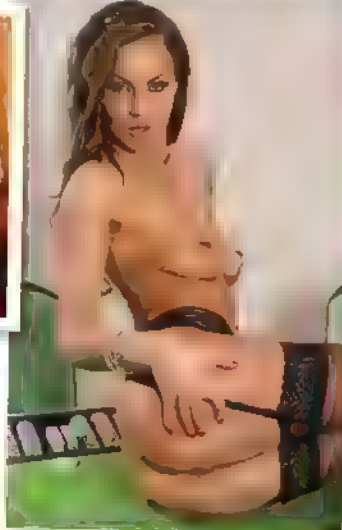

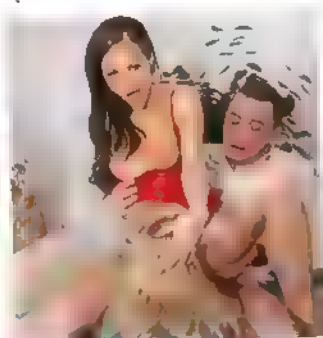

### Synopsis:

"International superstar Tina Kay allows you to delve into her sex-fueled life in this self-documenting movie; directed by Jake Hunter

Breath-taking DP's, eye-watering anal's, rampant threesomes and tantalising lesbian encounters; Tina truly encapsulates the word Sex Addict

Can you handle one of the most sexually driven porn stars in the business? Sit back and enjoy the ride..."

Courtesy of Harmony Films

**Verdict:** Tina Kay has been packing some headline-grabbing material recently, as the Club Vol.47 No.3 cover girl gives us an insight into her naughty world of lustful wontedness. Driven purely by the dampness between her legs Miss Kay rides an appetising rollercoaster of sexual desire that sees Tina getting fucked with complete freedom. Her fuck buddies are defiantly keeping her busy, and she appears to have them spread across Europe, as their chunky meat goes for gold with Tina's bumhole and

any other hole she cares to part for their stiff rods. A girl with a man in every port!

But Tina's passions aren't just for the boys as she showcases her pussy licking skills with Ella Hughes and Emylia Argan, not to mention the three-way poker show where all the chips are down. Tina really is a sex addict that has it all!

his little nymphette hasn't graced our pages for what feels like an eternity. So when the chance arose to have Chloe Toy on the cover of *Club*, we almost jumped straight through the ceiling. But luckily I managed to control myself

(the only one on the team) and had a little revealing tête-à-tête with Chloe about her performance career so far.

"Last year was a rollercoaster of a ride. I hardly stopped, what with doing my own website [www.chloestoybox.com](http://www.chloestoybox.com),

plus shoots and films for other people, it barely stopped. Which, I hope my fans enjoyed and who I want to say a big thank you too, you guys are the best!"

I can imagine they were enthralled, just as we are right now!

**R**eigning true we have the Queen of Chaos with us this month, as Harmony creates anything but. Arriving at the studio she has us in stitches within minutes, and when it's our turn to eventually make her laugh, a great warm chuckle erupts and fills the room, which in turn has the effect of making you feel rather chuffed with yourself. Harmony in a few words is fun, daring, exciting and incredibly sexy. I mean just take a look at that rack, and I dare you to attempt to tear your eyes away! It's quite difficult, isn't it?

Once you pop with Harmony, you won't be able to stop!

## MAPLE LEAF MOUNTIES

Susie gets hot with a wild Canadian couple I'm writing this for my ex boyfriend. I know how much he loves reading Club and as he cheated on me several times before dumping me a few weeks ago, I think it's only fair to let him know what really happened the weekend he went off to a stag do in Spain. I remember telling him how much I would miss him. Well I lied...

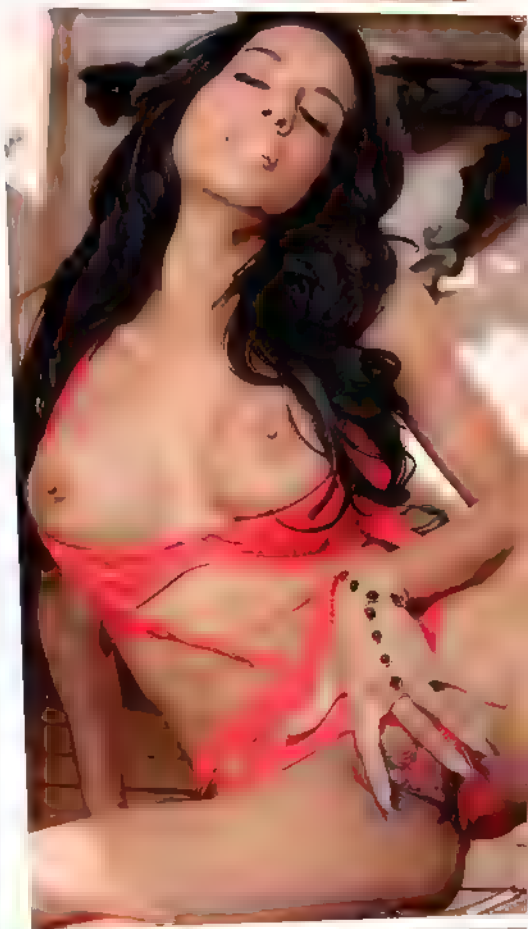

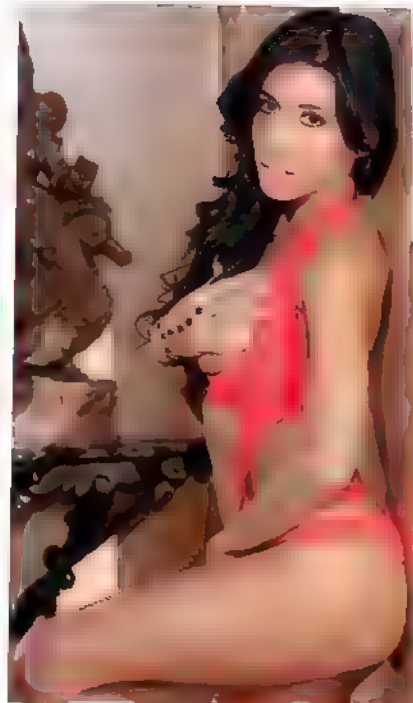

Aching for cock. That's the only way I can

describe how I felt that weekend. I went into town in a desperate attempt to try and take my randy mind off orgasms (and to drag myself away from my vibrator), but everywhere I seemed to look, couples were getting horny in the summer sun and it was making my hormones race even faster.

I was on the Underground when the train got stuck in-between stations. We were all sweltering, squeezed together in a hot, humid carriage. Out of sheer boredom people started chatting and this really cute Canadian girl spoke to me. I'd noticed her earlier in her sexy little summer outfit, getting rather tactile with her boyfriend.

"Boy, do I need a drink!" she giggled. She seemed to deliberately squash herself up against me and I felt her beautifully soft tits rubbing against my bare arm. I was also

**"...pushing me back onto the bed lapped up the copious amounts of hot come he'd spurted."**

convinced I saw her hands slip behind her back to discreetly rub her boyfriend's cock. She was giving me so many sexy looks; batting her long, dark eyelashes and pouting her plump lips, but I figured that because I was feeling so sex-starved it had to be my over-active imagination misreading the signs. When we finally got off the tube and headed outside she carried on chatting to me and I was so intrigued by this gorgeous girl that I had to say yes when she asked me to join them for a beer.

Sindy was the type of girl every guy would instantly want to fuck (especially my

her thighs and flopping down onto a chair she told us she was now ready to watch. With one leg raised onto the arm of the chair and her panties pulled aside she licked a finger and fingered her sweet, swelling clit.

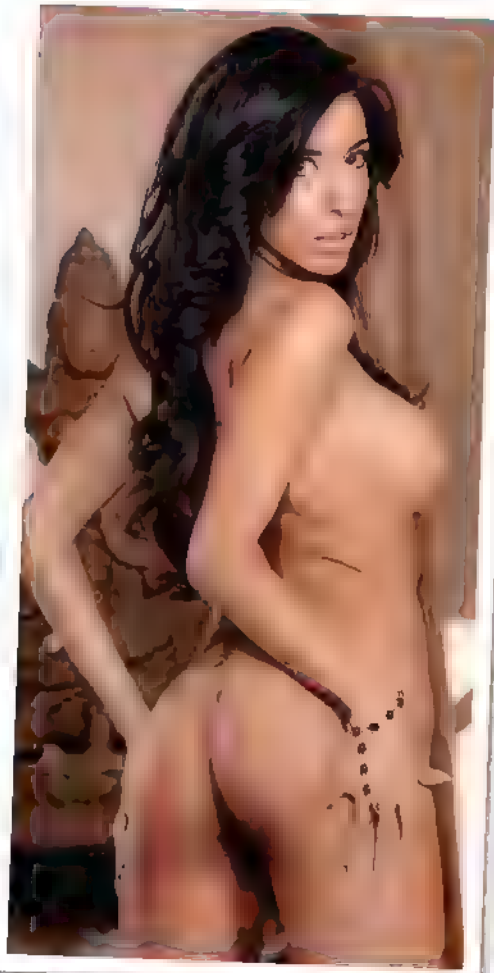

“Strip naked and fuck him,” she demanded. “And remember you’re one very lucky girl, getting to fuck on my territory. So make the most of it – and make me wet.” As she slowly started pleasuring herself I undressed down to my black thong. Ian, drawn to the smell of my ready-to-eat pussy, knelt down and began to flick his tongue suggestively around my crotch. My pussy was on fire as he inflicted dozens of short, wet licks. I moaned for more, but Cindy told him to stop and use his fingers to gauge my wetness. His hand crept between my thighs and slipped seamlessly into my saturated slit. This heavy petting continued until Cindy suggested I taste his smooth cock. Obeying orders, I pulled his stiffness from inside his jeans. My mouth was watering like crazy. Ian groaned as my tongue sought out his most sensitive areas, frenetically sucking and working his cock around my mouth. From the corner of my eye I could see Cindy’s hands rubbing away at her shaven slit. I was spoilt for choice. Should I stare at the gorgeous girl masturbating on the chair? Or concentrate on her great-looking boyfriend’s cock that I was busy sucking?

“You’ve had enough in your mouth for now, you dirty English slut,” she said, pointing to my dripping cunt. “I wanna see your pussy do some work.” I straddled Ian, smiling saucily at Cindy as her boyfriend’s cock found its way into my warm, moist hole. He pushed hard into me, my arse slapping against his groin as I pumped my hips back and forth.

“What does he feel like?” she quizzed. My breathing was heavy as he plunged deeper and deeper. “He’s one hot fuck,” I replied breathlessly. She was right, I was lucky to get a go on his smooth, stiff dick. He grabbed my waist and held me still as he sprayed his spunk inside every inch of me. She came over to us, and pushing me back onto the bed lapped up the copious amounts of hot come he’d spurted without warning into my juicy, cute cunt. Fuck, she was good. With her mouth clamped firmly onto my pussy I wriggled up and down as she ate me out,

ex-boyfriend, he loved brunettes). Short skirt, short top, slutty shoes, long legs and stunning bright green eyes. Dressed to please, she had this strange piece of leather wrapped around her upper arm, like it was there so that at any given moment she could tie some lucky person down and do with them exactly as she wished. She was flirting outrageously, in turn encouraging me to flirt with her boyfriend, Ian. My mind was racing and my clit was stirring, especially when they told me they were in Europe for a week’s erotic adventure, looking for bored housewives, or anyone else who might be up for some naughty but nice fun. This time her fantasy theme was watching her boyfriend get aggressively fucked by another woman. Who was I to say no? I was only too happy to oblige.

Back at their hotel room we went for it, afraid of wasting any more of their week on pointless small talk. Cindy sat me on the bed next to Ian. Hiking her little skirt over

something she was clearly well practised in doing! But her perfectly firm breasts were screaming to be touched; I wanted her nipples in my mouth. Grabbing her shoulders I pulled her lips from in-between my legs and ripped her t-shirt off as I started kissing her. She momentarily melted, sighing with pure pleasure as I sucked and bit gently on her nipples.

Now Ian was in her chair, watching our nubile bodies writhing on the bed as he wanked his big cock. Cindy grabbed a strap-on from the bedside drawer. "Tried and tested in Amsterdam!" she laughed wickedly, stepping in and strapping on the kinky toy. Once it was fully lubed with oil, I got on all fours for a good fucking. My arse cheeks were slowly pulled apart as the fake pink cock slipped teasingly up and down between them. After all the hours of Cindy's attention my cunt was aching for cock – real or strap-on! Cindy thrust her hips full force forward, ramming it right where I wanted it. I watched her reflection in the mirror, getting more and more wet and turned on by the sight of her firm tits wobbling up and down as she bucked and fucked me. Then Ian was behind her, playing with her arsehole and within seconds she was climaxing, juices dribbling down her thighs. He held up the prized possession that had forced her sudden orgasm; a string of Thai love beads that had been secretly slipped inside her bum all day long. Lubing them up with baby oil he started

stuffing them into my arse, popping them in one by one until they all disappeared. Cindy came over and over again as she watched her boyfriend fingering and fondling me. My pussy lost control, tightening around the strap-on dildo as an enormous orgasm exploded through me. We carried on climaxing until we were both totally spent, faces glowing and pussies dripping.

So, if my ex is reading this (and you know who you are), I can only offer my sincerest apologies for not carrying out more lewd, explicit and wonderfully depraved behaviour like that – behind your back!

#### SEXOTHERAPY

Janine lends a helping tongue to a patient

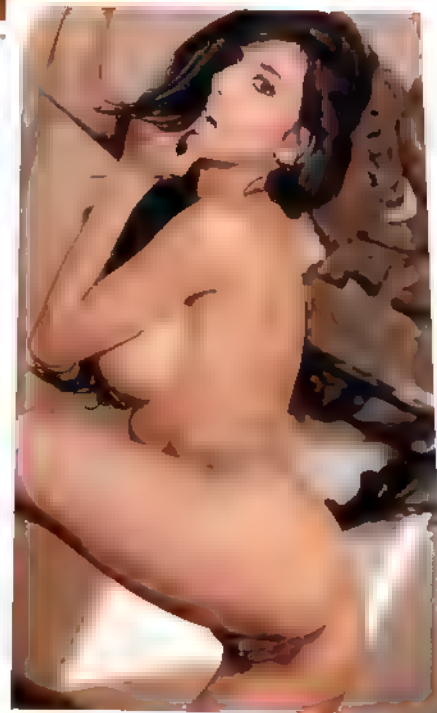

I'm a single bi-sexual female psychotherapist in private practice. I'm 38 and considered attractive, so I'm fairly used to being given the eye by my male clients. But I have to say I was quite taken aback when one of my female clients made a pass at me in the course of a recent consultation.

**“My pussy was on fire as he inflicted dozens of short, wet licks.”**

Simone was a young married woman of 22 who came to me complaining of stress. Her answers to the routine questions about appetite and sleep patterns didn't really yield any conclusive answers and I was beginning to feel that the interview was going nowhere, when suddenly she blurted out "It's my sex life, Doctor!" She then turned bright red and fell silent again. She looked so provocative with her downcast eyes and a flush on her cheeks that I felt my slit begin to moisten, but in my best professional voice I said "And what's the problem there?"

No answer. "Is it on your side or your husband's?" Still no answer. Her cheeks continued to burn and I began to feel that if I stood up I'd leave a wet patch on the chair. "I can't believe he's losing interest," I said. "I mean... married to a beautiful girl like you."

This compliment seemed to dispel Simone's inhibitions at a stroke. "God, no," she said. "He's inside me every night and during the day at weekends. He can't get enough of it." I

was taken aback, but nodded politely. With a look that told me she'd read my mind she went on. "The trouble is... well, I suppose I'm just greedy really, because, uh, you see, I just ache to be with another woman and to taste her pussy." Well that was it. I went over to the door and locked it, although I knew I wasn't expecting any more clients that day and I'd heard my receptionist leave some time ago.

Crossing the room to the sofa where Simone was sitting, I stood beside her and placed a hand on her shoulder. Our fingers met and we both trembled as she lifted my hand to her lips and kissed it hungrily. Then she ran her tongue across the palm of my hand and up the underside of my index finger. Her lips closed around my finger end and I felt her tongue flicking back and forth across

**“My arse cheeks were slowly pulled apart as the fake pink cock slipped teasingly up...”**

and I couldn't wait any longer. I threw my left leg over the back of the sofa and allowed the right one to slide off the edge so that my foot was resting on the floor. It only needed a little arching of the back and my pussy was gaping and open. Simone accepted the gift. Down went that gorgeous straw-coloured hair of hers and I let out a low-pitched moan as lips met lips and she began to eat me out.

It was dark outside now and, glancing down between my boobs, I could only see the cheeks of her bum silhouetted in the light from the desk lamp and in front of that the top of her head as I came writhing towards my orgasm. Simone just beat me to it, then I exploded and the room seemed to capsize as we slid onto the floor in a tangle of arms and legs.

We lay on the floor where we'd fallen, Simone with her head still between my thighs. Then drawing herself up she kissed me tenderly and I tasted myself on her. I wanted it to go on all night, but I suddenly remembered that I was due to address a conference that evening, that I needed to shower and change and that I was supposed to be there in under an hour.

“But we haven't finished,” pleaded Simone as I started to get dressed.

“Don't you want to taste me too?”

Rod's always telling me how lovely I taste. Besides,” she added playfully. “What will I tell him when I get home all covered in you? You've got to lick it all off.”

“Don't worry darling,” I said. “This was just the start. Tomorrow's Saturday Phone me in the morning. And as for that husband or yours, just tell him you went round to a girlfriend's for a drink after work, she made a pass at you, you were a bit tipsy and one thing led to another. Don't worry, I know about men. He'll love it more than you would ever think.”

Simone's eyes widened. “It's all right,” I said, cramming papers into my briefcase. “I often see married couples together.” We kissed and ran downstairs into the street. “Oh, and by the way sweetheart,” I said as we parted. “No fees.”

Janine, Bradford. ©

the tip of it.

“Rod loves it when I do that,” she murmured. I leaned over her so that the side of her lovely face was pressed into my belly. I felt her hand under my skirt so I put one knee up onto the end of the sofa to let her get to my thighs – and what was between them. Spasms ran through me as Simone massaged the gusset of my knickers, then just as I was about to come she withdrew her hand and, gasping with pleasure, set about licking away at her fingers as if they were lollipops.

By now I was out of my clothes and on the

sofa. Seconds later Simone was naked and lying beside me. I brushed aside her long, straw-coloured hair and tasted my juices on her face. Our lips met and parted and our tongues played together.

Simone had now found one of my breasts and while she sucked contentedly on it, her free hand caressed the other one. Her face slid further down my body, our legs intertwined and I felt her wetness for the first time. She pressed her fanny hard against my knee, while at the same time probing my belly button with her tongue and tracing little circles of saliva around it.

I knew where her next port of call would be

# Peachs

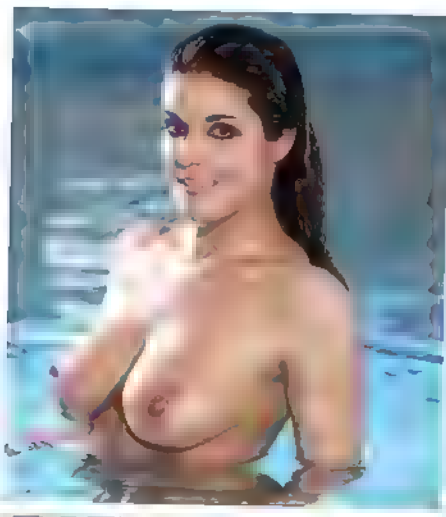

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...

## SLIPPERY WHEN WET

The first thing I ever noticed about my wife was her sexy arse. She was heading up the stairs in a nightclub and was just about wearing this tiny little skirt, the kind that gives you an instant hard-on. As she climbed the stairs she dropped her handbag and when she bent over to pick it up I got a perfect view of her peachy curves in a skimpy pair of tight, pink knickers. Well, I was hooked from that very second and legged it up the stairs after her, offering to buy her a drink. Six months after that first teasing taste of her arse we were married.

Now here's the sad part. Despite that tantalising first glimpse of her awesome arse I had to wait another 10 years before my prick finally got a taste of it. Yeah, really. Ten fucking years! Of course I'd asked Julie to let me fuck her behind so often that it was almost a joke,

but no matter how I begged, no matter how I pleaded, no matter how many fancy dinners I bought her, she just wouldn't let me anywhere near it. She said she was always too scared. I'm pretty well-hung and having seen the size of my helmet when I pressed it up close to that tiny little hole in her cheeks as I often did, well, I suppose she was right. It just didn't seem possible for me to get it up her.

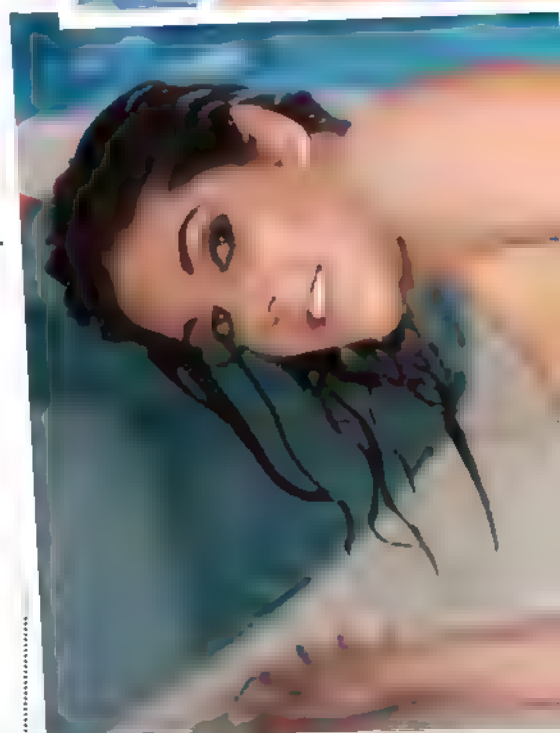

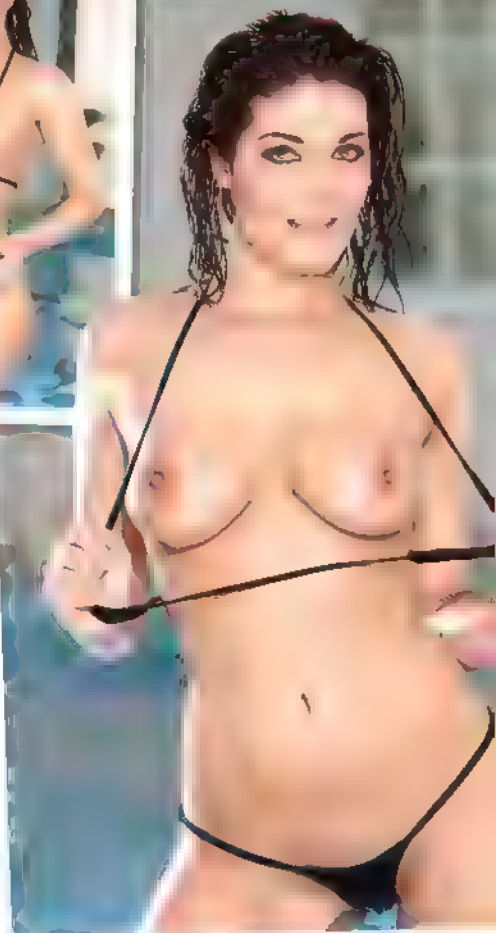

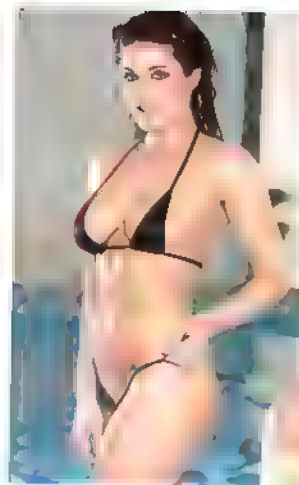

To be honest I'd given up on ever really getting to grips with Julie's bum, but then out of the blue something happened when we went to Spain on holiday last month. It was the first day of the holidays and the very first thing we noticed when we arrived at our hotel was that there was an open air Jacuzzi right by the pool. We didn't need asking twice and

**“The cheeks of her arse were acting like a vice, holding my shaft really tightly...”**

just about managed to fling our cases in the room, throw ourselves into swimming trunks and cossies and we were straight in. I did have the good sense to take a plastic bottle of water and fill it with vodka and tonic before we went down, just to give us a bit of a livener and a bit of a buzz. Best of all, though, when we got down to the Jacuzzi there wasn't anyone else in it, so we spread out and enjoyed the feeling of the water bubbling up around us.

Amazingly there weren't all that many people left in the pool either, though I suppose by about six in the evening most people have had enough of the sun and are starting to traipse back to their rooms. I'm not sure if it was the combination of sun and booze or not, but Julie was the first to start fooling around. I was a bit embarrassed when she first started kissing me in full view of all the other people. But her tits were looking so good in her tight bikini top and her hips were feeling so curvaceous under the water that I just went along with it, especially when I realised that most people were more embarrassed to look than we were to be getting a little bit frisky.

Julie started to get really playful. I was

leaning against the edge of the Jacuzzi and she was sitting by my side on the underwater bench, when out of the blue she suddenly stuck her hand down my trunks. I knew that no-one could see what was going on underneath the bubbles, so I didn't care that she kept her hand there and slowly wanked me up to a full erection. At first I thought I was going to get a hand job, but once I was fully hard she slid her body across so that she was sitting on my lap. Her curvy arse pressed

down on my hard-on as she squirmed about on top of me. I reached down, took hold of my prick and managed to move it so that it was resting in her arse cleavage, pushing the fabric of her bikini bottoms up her crack.

I squeezed my hands around her thighs and then casually slipped them under her bikini bottoms. The cheeks of her arse were acting like a vice, holding my shaft really tightly, which didn't half give me a thrill and made my cock even harder, if that was actually

"Why don't you take your bottoms off?" I whispered to her, starting to feel really horny. I didn't really expect her to strip, but the vodka and the Jacuzzi had obviously got her going. She casually moved her hands down under the water, then I watched her slipping her bikini bottoms a little way down her thighs. I surreptitiously tried to push my prick between her legs and up her cunt, but I couldn't. The bikini bottoms that were halfway down her thighs were stopping her from parting her legs

possible. I thought about stroking her clit through the front of her bikini bottoms, but force of habit made me reach for her arse cheeks instead. I'm a confirmed bum man and always will be. I dug my fingers deep into her fleshy cheeks and she let out a little moan. I looked around to see if the last three or four people lying around the pool had noticed what we were up to, but it looked like we'd got away with it. I pressed on, literally.

wide enough.

"You'll have to take them right off," I said. "No fucking way. Not with all these people around," she said. Then she reached for the bag, which was lying on the side of the Jacuzzi. She pulled out some suntan lotion, which she must have slipped in. "Rub this on your cock," she said. "You're just going to have to put it up my arse."

I stopped dead in my tracks. Had I heard Jules right? Ten years of trying to make her lovely old arse available without so much as a sniff. And now this! I quickly squirted some of the lotion onto my hands, then rubbed it on my stiffy so that it was all nicely greased up before she could change her mind. Giggling, she waited for me to apply the lubrication, then moved her hands across her own arse cheeks to gently spread them and finally lowered her fleshy cheeks onto the end of my prick, pulling them that little bit further apart so that I could slot my helmet between them. I manoeuvred myself up against her hole and prepared to enter paradise. She took a deep breath and held it in, then I pushed forward and for the first time ever felt my prick sliding deep into her hole.

After all those years of fucking her pussy it was absolutely mind-blowing to feel the tightness of her arse around my hard cock. I managed to slide about half of my shaft inside her – slowly, so as not to arouse any suspicions – before I felt her muscles tensing up and stopping me from going any further. I

pleasure and the pain of my thrusting prick got to her. I just couldn't believe I was having anal sex with my wife so close to these other people. It was definitely happening, though. She was bobbing up and down in my lap like a low-rent hooker, her tight crack alternately swallowing up and then spitting out my shaft. The bubbly water was

suddenly getting a whole load more bubbly as we really switched into overdrive and I was forced to stick my hand across Julie's mouth just to stop her from screaming out loud.

I kissed the back of her head and then looked across the pool. Fuck! Rumbled!

There was a Spanish girl, probably about 20, standing on the edge of the diving board looking across and down at us. She had an arse to die for, which she'd somehow managed to squeeze into a tiny thong, and she obviously had no inhibitions about showing it off. The strap at the back disappeared right up her crack and left you free to stare at her two gorgeous, well-rounded buttocks. She couldn't

**“ I was able to really start pumping my prick in and out of her sexy, womanly arse.”**

have known that we were butt-fucking, surely. But the grin on her face said that she knew we were up to something. Knowing we were being watched somehow made me all the more horny and it was absolutely the best feeling ever as my shaft was sucked into my wife's anus with this babe in a thong checking out our open air fucking.

The girl bent over ready to dive, wiggling her arse in the air as she prepared herself for the splash. I imagined my tongue licking around the edges of her hole and the taste of her crack in my mouth and the pleasure became too much for me to deal with. Her tanned bum went diving into the water at just the same moment as my spunk finally went shooting off for a swim up my wife's arse. I jerked hard a few times, draining the spunk from my balls, then I slumped back, shagged out and totally exhausted.

My wife was exhausted but satisfied too. When I brushed my fingers over her cunt I could feel the stickiness that told me she'd also come, spilling her own juices during our rampant fuck. I could almost hear her purring. She rested her arse in my lap and she let me sit with my prick still inside her as we enjoyed the warm water bubbling around us. It was heaven – and something I'll never forget. *Johnny, Cheltenham ®*

whispered in her ear to relax and she stopped holding her breath. Her muscles seemed to relax a little, so I took full advantage to squeeze home my full length. Well, how good was it? It was just like fucking a virgin pussy. Julie's crack was so tight that I could feel the sensations pulsing down every inch of my shaft. Her insides were swallowing me up so hungrily, almost strangling my prick, that at first it was a bit too cramped in there for me to fuck her properly. I had to wait for a bit while the lubricant on my helmet slowly greased up and widened her hole.

The wait was agonising, but it was definitely worth it. After a few minutes of gentle fucking I felt her becoming looser and looser and gradually I was able to really start pumping my prick in and out of her sexy, womanly arse.

She was trying her best not to scream out loud as the

**Sara**   
PHOTOS: STAGE STYLE

One sure way to fire up the toad and tackle is to sneak a peek at Sara's sumptuous figure and weighty tits, as she stripes back her underwear to reveal her silky flesh and neat closely shaven pussy lips if that's not heaven that we don't know what is!

What our well-placed moles are telling us this month...

# DOWN THE WIRE

## PULL THE UDDER ONE!

Like blokes who hobble into A & E with something embarrassing – a bottle, a lightbulb, an anaconda – wedged up their arse, claiming they 'fell on it', we're not entirely convinced by a Devon farmer's claim that he lost his iPhone up a cow's arse when he was using a torch app on it. Although as he had the temerity to launch an insurance claim, it might well not be bullshit. We're still not sure why he wants to shine a torch up a cow's arse,

however, and why a farmer doesn't have a torch to hand. Other weird claims, revealed by mobileinsurance.co.uk, include a woman who baked her Nokia into a cake and a woman who used her Blackberry as a dildo. At last, honesty!

It's all a bit Gaga!

## LAST ORDERS!

If you run a pub full of hard-drinking regulars, eventually the Grim Reaper will claim one on the premises. But how to mark the passing? A lock-in dedicated to the lost boozer? Sounds nice. Or you could just do what Jason Chidgey, landlord of Aberdare's The Boot Hotel did when he woke and discovered 48-year-old Mark Howell in the pub loo, dead from acute alcohol poisoning – hide the body so you can open for the weekend.

Chidgey and cleaner Audra Rees hid the body for four days, so that he could continue to trade from Friday to Monday. He was jailed for 15 months.

## THE THIRD REICH-00N!

Those pesky Nazis are still unavoidable some 67 years after their Reich collapsed. After all, what other history could the TV channels possibly make documentaries about? But Hermann Goering is still affecting the lives of his countrymen long after his death, in raccoon form. Back in 1934, as the chief forester, he released a breeding pair of American

raccoons to give hunters something to shoot. They thrived, and are now causing havoc by breaking into houses in search of warmth and food. They number in their millions and the German Hunting Federation has accepted that they're there to stay in Germany. US spies? Hmmm.

We've had to adapt the Goose Step!
